Hungary

Gifts

Personal duty-free gifts to a value of $12 are admitted. Above $12, the rate of customs duty increases proportionately to 60% as the value increases to $200. Values are the domestic retail price. The table shows the maximum permitted value of each item in a postal article. Gifts that exceed these values are deemed as commercial items. Any item exceeding $200 must be the only item.

If the postal article has a value of:

- $20
- $40
- $100
- $200
- $400.

Then, no one item may exceed:

- $4
- $8
- $20
- $40
- $200
