Japan

Gifts

Japan allows exemption from duty and consumption tax for most casual gifts and donations sent by individuals to individuals in Japan or goods that individuals who are not residents of Japan import as gifts. To qualify for this exemption, gift shipments may not exceed $50.00 (USO) per shipment. Advertising material, tobacco, or alcoholic beverages are excluded from being processed as a gift shipment.

Prohibited Items

In addition to items considered non-mailable matter, the following are prohibited:

- animal quarantine (bone, guts, horns, blood, antibody, serum, semen, feathers, raw wool, raw leather, bacteria, coliform bacillus)
- articles which infringe upon rights in patents (utility-models, designs, trademarks, copyright, neighboring rights, or layout-design of integrated circuits)
- books, drawings, carvings, and any other article which injures public security or morals (i.e. immoral materials)
- botulinum toxin A (over 500 units per vial) and Toxin B (over 10000 units per vial)
